A photograph of a family walking through a park with many fallen leaves on the ground. In the foreground, the back of a man's head and shoulders are visible as he walks away from the camera. In front of him, a young girl in a pink jacket and a young boy in a red jacket are walking towards the camera, smiling. The background shows several tall, thin trees and a hazy sky.

This select group of builders in Las Vegas offer new homes that have earned the ENERGY STAR.®
